Application No. 10/602,526

REMARKS

Claims 1-61 are pending. Claims 11 and 12 are cancelled herein to facilitate future rejoinder of the claims. In response to the Restriction Requirement dated June 23, 2006, Applicant elects Group IV having claims 17-38, and in response to the species election, chooses (h) polyethylene glycol. The Restriction Requirement points to claims 33 and 35 as linking claims that link the inventions of Groups I, III, and IV. Accordingly, rejoinder of the claims in Groups I, III, and IV is requested if claims 33 and 35 are allowed.

The Examiner is invited to telephone the undersigned if the Examiner believes it would be useful to advance prosecution.

Respectfully submitted,

Curtis B. Herbert, Ph.D.
